Packed dimensions (w x d x h - mm)	650 x 700 x 450
GTIN number	5056466905835

## Installation notes

Adequate ventilation must be provided to supply sufficient fresh air for combustion and to allow easy removal of any such products that may present a risk to health. Please consult current legislation for details that relate to specific locations.

Install unit on a level, fireproof surface in a well-lit, draught free position. A clearance of 150mm should be observed between appliance and any combustible wall.
