

SILVERLINK 600

SLI3 - Lincat Silverlink 600 Electric Counter-top Induction Hob - 1 Zone -W 450 mm - 3.0 kW Embrace the energy efficient power of the Silverlink 600 Electric Induction Hob, which typically delivers 90% efficiency when compared with a solid electric hot plate at 55% and gas hob at 50%.

- Highly responsive and controllable cooking method.
- High power delivers almost twice the cooking power of a similarly rated gas hob, whilst saving energy
- Boost function delivers power when it's most needed
- Designed to perfectly blend in with other products from the Silverlink 600 series
- Pan detection function cuts power when no pan is present, cutting running costs and creating a safer, more comfortable working environment.
- Automatic heat up function switches to a preset power level after full power heat up
- 6mm thick high impact resistant ceramic glass ceramic surface will withstand hard knocks and is easy to clean
- Easy to use rotary controls complete with LED display of power level. Easy to change filter, built into the base of the unit. Powerful internal cooling fan and overheat protection for long service life
