

Wine shelves available as optional extra POA

**PD110T SS**

**PD220T SS**

## Product Description

The premium range of upright back-bar coolers from Interlevin. Features twin vertical LED lighting for excellent illumination along with a mirror finish stainless steel interior to display your beer, cider and soft drinks in the best possible way, the exterior is stylish brushed stainless steel. To improve efficiency and longevity, the unit has twin high quality EBM long life fans giving excellent internal cooling. The unit also features Low E Glass that give better insulating qualities while helping to reduce energy consumption and running costs. We've even made sure it has a sturdy handle for over enthusiastic bar staff who are in a rush. Ideal for bars, restaurants and cafes. Wine shelves are also available as an optional extra.
