

USS300SD

Product Description

The USS300SD sliding top bottle cooler is an excellent addition to a busy bar or club. It enables bar staff to serve bottles of beer or cider etc quickly and efficiently without having to leave the bar area or turn around to access back-bar fridges, so reducing queuing to the bar area and speeding up customer serve time. The sliding lids enable quick access to a large storage capacity. For quick loading the whole lid lifts off too.

Features and Benefits

- Fully automatic
- Static cooling
- Castors
- Sliding lids
- Removable top for easy loading
