

## F79/701 - IMC WasteStation Compact - 2.95 kW - Single Phase

Reliable, efficient, safe and easy to operate, the single phase WasteStation Compact 2 allows operators with even the smallest kitchens to quickly and effectively remove waste, creating a safer and cleaner kitchen.

- ✓ **A solution for your business** - process up to 400 kg waste per hour, the equivalent of 850 covers per sitting. As fast as you can input the waste, the WasteStation Compact can process it.
- ✓ **Reduce your carbon footprint** - reduce the amount of food waste being sent to landfill. By removing water from food waste this reduces the final volume of waste to be disposed of.
- ✓ **Save on valuable floor space** - with a unit which is more compact than bulky alternative models, without having to upgrade to a remote dewaterer.
- ✓ **Transport savings** - reduce waste collection costs by up to 80% by reducing the food waste volume and weight requiring collection
- ✓ **Storage savings** - by reducing the waste volume, on site waste storage facility requirements are also reduced
- ✓ **Labour savings** - reduce staff time processing and managing waste, fast efficient disposal of food waste as and when you need to, with no schedule
- ✓ **Self-cleaning operation** - WasteStation can undertake a thorough clean, ensuring the whole system is free of food and grease
- ✓ **Self-emptying** - eliminates the need for staff to empty the auger assembly, reducing labour times required to operate the machine. Intelligent electronic sensor detects when the bin is full
- ✓ **Visual control panel** - kitchens are a noisy environment, so WasteStation incorporates a simple LED display to allow monitoring of the state of the equipment during operation
- ✓ **Energy savings** - compact design and short processing times ensure low operating costs and minimal use of kitchen floor space
- ✓ **Maximise kitchen hygiene** - fully enclosed system prevents food entering the unit, keeping the machine clean and free of waste, and reducing operational noise. Following each operation, the machine undertakes a quick self-rinse cycle, preventing any build-up of food
- ✓ **Single phase installation**

### Specifications

#### Summary

<b>Brand</b>	IMC
<b>Range</b>	WasteStation
<b>Power Type</b>	Electric
<b>Unit Type</b>	Free-standing
<b>Available in UK Only</b>	No
<b>UK Warranty</b>	2 Years Parts and Labour Warranty
<b>Export Warranty</b>	Contact your local dealer
<b>Mounting</b>	Free-standing
<b>GTIN</b>	5056105196730

#### Power and Performance

<b>Total Power kW</b>	2.95
<b>HP</b>	3.95
<b>IP Rating</b>	IP55
<b>Operating Decibels</b>	83
