

BUYERS GUIDE

MODULAR STAINLESS STEEL & BESPOKE SOLUTIONS

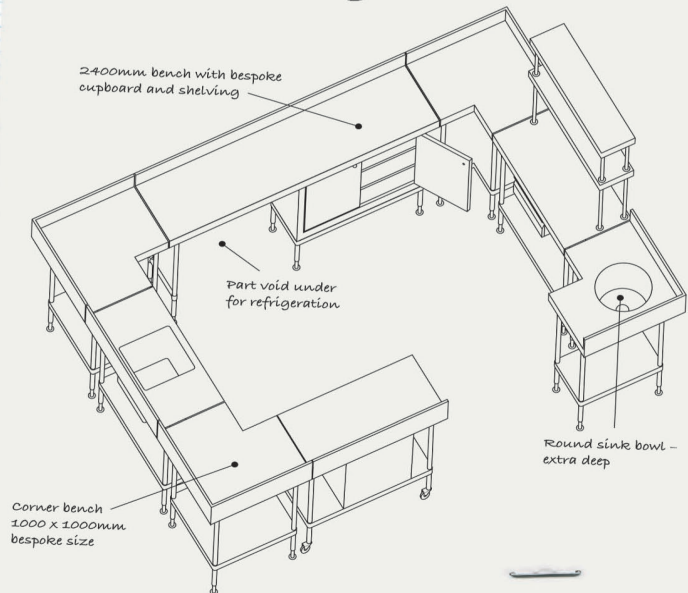

**SIMPLY
STAINLESS**®

Working with our fabrications division and Simply Stainless, we can offer a completely bespoke stainless steel solution for any requirement. Bespoke sizes, add-on's and alterations to existing units are available on request, all manufactured to the same Simply Stainless quality standard. You can even start the design process online using the new Kitchen Designer Tool available at www.simplystainless.com. Combined with speedy delivery and competitive pricing, this really is Simply the Best system available!

From design...

Extensive Off-the-Shelf solution

...to completion

A complete bespoke service

RH HALL BESPOKE

**FABRICATION
SERVICES**

An off the shelf system that's stronger than welded!

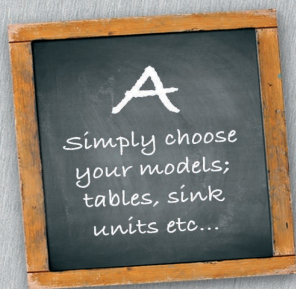

DESIGN YOUR OWN KITCHEN ONLINE

Cater for any requirement, one offs or schemes. Special doesn't need to be special anymore – any configuration from stock! Unbeatable quality, unbeatable prices and a LIFE TIME warranty!

www.simplystainless.com

Create your perfect kitchen as easy as ABC...

CENTRE TABLES

These easy to assemble tables are 'stability' & 'knock' tested to ensure the highest quality. Supplied with a solid undershelf and available in sizes from 900-2400mm. Mobile versions also available.

WALL TABLES

Fully modular and available in sizes from a compact 300mm to a huge 2.4m! Supplied with undershelf, upstand and a 1.2mm top.

CORNER BENCHES

Fully modular and perfect to complete any kitchen prep area. 900/900mm and supplied with undershelf, upstand and a 1.2mm top.

WALL SHELVES

Add a wall shelf to really maximise your worktop space! Supplied in Top quality no. 4 finish Stainless and available as Solid or Piped versions. Sizes range from 600 to 2400mm to suit any requirement.

SINKS

From 600mm single sinks to 2.4m triple bowl models, Simply Stainless have a sink for everyone. Single sinks are available with left, right or centre mounted bowls and double sinks are available in sizes from 1200-2400mm. All models are supplied with piped undershelves and fully welded sink bowls.

DISHWASHER TABLES

Choose from a wide range of outlet and inlet tables, all designed to suit leading brands of commercial dishwashers. Inlet benches come with fully welded sink bowls and all models are available in 1200 or 1650mm. There is also a compact 600mm entry/exit table for smaller kitchens.

STANDS & INFILL BENCHES

Simply Stainless can also fit in with your existing kitchen equipment! Infill benches are designed to fit exactly alongside any Blue Seal Evolution equipment and come in sizes from 300-900mm. A stand for the E32D4 oven and G91 grill also compliment the range. Also available - a stand for the hugely popular Rational SCC101 combination steamer.

TROLLEYS

From serving to clearing, a trolley is available for any requirement. Serving trolleys are available in 2 or 3 tier and 16 tier clearing trolleys can be used with either 1/1 or 2/1 GN.

RACKING

4 tier, fully adjustable and supplied with solid stainless steel shelves. Available in widths of 900, 1200 or 1500mm

WALL CUPBOARDS

Another great way to maximise kitchen space! Supplied with sliding doors and available in 900 or 1200mm

EVENTS TABLE

This portable, folding table is perfect for all events - outdoor or indoor! Built to the usual high Simply Stainless standards and designed to be light in weight and easy to carry.

ACCESSORIES

CREATE YOUR PERFECT KITCHEN LAYOUT!

Create additional storage with single and double overshelves, chefs drawers or solid undershelves

Maximise space by storing your refrigeration and warewashing underneath your tabling...

Simply replace your undershelf with a Leg Brace

Convert your Sink to a Worktop area in seconds with a Sink Bowl Cover.

Your Wall Bench or Centre Table can quickly become a Cupboard with a Door Panel Kit.

Also available:

Additional undershelves, gastronorm & dishwash basket cassettes, castors, taps & pre-rinse.

Complete buyers guide available
