FREEZER COMPACT F420L C DR G U

Product series: Compact

Item number: 163422030

The HOSHIZAKI COMPACT F420L C DR G U is a FREEZER on castors with a net usable volume of 265 Ltr.

The COMPACT series offers a rare combination: These cabinets are food-safe, space-saving, and come with excellent energy ratings for their class. With a footprint of only 59.5 x 66.7 cm, these small space storage cabinets are easy to fit in, especially when space is limited. These specifications make the series such a popular choice for those operators who do not require heavy-duty Gastronorm equipment.

Food Safety
Thanks to the Hoshizaki air distribution system, temperatures are correct and uniform throughout the entire cold room, ensuring perfectly food-safe temperatures at all times

Low-Running Energy Costs
The Energy Efficiency Class of the COMPACT F420L C DR G U is C. The COMPACT series offers a range of extremely energy-efficient refrigeration units for small spaces.

Comfortable Work Environment
Contributes to a healthier work environment with low noise levels 39.7 dB(A), when the compressor is running. Low heat emission due to short compressor running times.

Hygiene & Ergonomic Design
The COMPACT series features several design extras, implemented to simplify daily cleaning routines. One of the features for optimized operator safety is the full-height integrated handles.

The COMPACT F420L C DR G U comes with:
Refrigerant: The FREEZER uses HC refrigerant R600a
Air circulation system
Right-hand hinged door
Integrated full-height door handle
Internal LED light
Reversible door
Door lock for extra security
White shelves
Automatic defrost with re-evaporation of defrost water
